

Recycle together:

Paper and flattened cardboard:

- Newspapers (*no plastic bags*)
- Magazines, catalogs, phone books
- Opened junk mail, office paper
- Cereal, cracker, and shoe type boxes (*discard liners*)
- Shredded paper - strips only (*min. size 1/4 in. x 11 in.*)
- Paper bags, paper egg cartons
- Labels from metal cans
- Wrapping paper, greeting cards (*no foil*)

Set out recycling cart and bin when full or manageable!

No plastic bags!

Clean plastic bottles, tubs, buckets, and nursery pots: (*No lids*)

- Plastic bottles and tubs, 6 oz. and larger (*no biodegradable plastics*)
- Buckets, no larger than 5 gallons
- Rigid nursery pots, 4" and larger (*no dirt*)

Metals:

- Clean cans, lids, pie plates, trays, aluminum foil
- Empty aerosol cans (*don't puncture or remove nozzle*)
- Other scrap metal (*40 lb. max., no longer than 30 in.*)

WARNING:

Food left on boxes or containers **contaminates** the recycling load!

Recycle clean glass bottles and jars separately from other recyclables:

Recycle metal lids with metals.

NO bags, plates, glasses, cookware, ceramics, candleholders, vases, light bulbs, mirrors, window glass, or picture frame glass.

Motor oil:

Recycle in a marked, unbreakable container, no larger than two gallons, with a screw top lid. Place next to your recycling cart or bin.

Sunset Garbage Collection, Inc. 503-774-4122

Not recyclable in our program: *When in doubt, leave it out!*

Paper - Not Recyclable

Paper with food on it (pizza boxes, etc.)

Wax, plastic, or foil coated paper

Cross-cut shredded paper
(cut too small to make new paper)

Paper with “wet strength” in it:

Frozen food boxes, beverage cartons, paper cups, plates, napkins, pet food bags, etc.

“Wet strength” is an additive that keeps paper together when it gets wet. This means the paper doesn’t break down in the papermaking process.

Glass - Not Recyclable

Candleholders, vases, and ceramics

Plates, glasses, and cookware

Mirrors, picture frame, and window glass

Light bulbs

(Dispose of incandescent bulbs in the garbage. Fluorescent bulbs contain mercury; dispose of them at Metro’s hazardous waste facility, 503-234-3000.)

Plastics - Not Recyclable

Plastic bags and film

(recycle shopping bags at grocery stores)

Any plastic bottle or tub smaller than 6 oz.

Styrofoam® packaging, peanuts, trays, take-out containers

Clear “clamshells” and bakery containers

Lids, trays, cups, plates, silverware

Toys and large plastic items

Blister packaging

(tough, clear, product-shaped, display plastic)

Biodegradable plastics

Food contaminated items

Hazardous material and motor oil bottles

Any plastics not listed on the other side.
